

## Miss Robin & Miss Sarah's 4's April Newsletter

Welcome back!! We hope you all had a wonderful Spring Break! April showers and May flowers...how did we get here so fast!? The year may be quickly coming to a close but we have a month jam packed with insects, butterflies, turtles, frogs!!

This month we will also be learning about April's character trait **respect** and what that means. We will work on respecting our books by being gentle with them and taking care of them. We also show respect to our friends by treating them kindly and sharing our things. We can show respect for our teachers and parents by helping put things away when they ask.

Thank you all for attending your child's conferences before break. Sharing how far they have come this year is always a wonderful experience. We hope it was for you all as well.

•We also want to thank all of our dads, moms and uncles who made our Dad's Night such a great success!

In May we will be celebrating our Mothers with a fun Ice Cream Sunday treat and a short program that will include singing and special gift from your little one. In order to make sure we get to do everything we have prepared for we will start the program ***promptly at 10:30.*** Have those video cameras ready!
