

## APRIL AND MAY NEWSLETTER

It's hard to believe but this is our last newsletter for the school year. We have only 7 weeks left ☺ It's been a great year for the teachers and we hope it has been the same for you. Conferences were hopefully helpful for you and your child. If you have anything to discuss with us, at any time, please do. Also, if you have forms for us to fill out for your child's school next year, we will be happy to do that.

In small groups, we will be working on numbers, patterning, less than/more than, upper and lower case letters, our alphabet and sight words.

On Friday, May the 10<sup>th</sup> we will have Muffins with Mom at 8:45. Come spend a little time with us. Your child wants to let you know how special you are! We should be done around 9:15.

May 23<sup>rd</sup> will be our last day of school. We invite you to join us at 11:45 to celebrate the end of the year! There will be NO LUNCH this day.

**April 8-19: Spring and Science/STEM activities**

**April 22-26: Earth Week**

**April 29-May 10: Ponds and Insects**

**May 13-23: Camp! And the Great Outdoors**

It's been a great year and we hope it has been the same for you and your child. We look forward to the next several weeks and the coming of spring! As always, if you have any questions, feel free to ask us!
