

Dear Parents,

We have had the best time getting to know your child these past few weeks! Our hope is that they enjoy coming to school, are making new friends, and are loving our new routine. We look forward to continuing to watch them grow and learn :)

Our month started with simply getting to know one another, establishing routines, and learning about our preschool environment. The children have loved exploring our room and are still discovering all it has to offer. We will continue to emphasize good listening skills at circle time and we appreciate you talking about this with them at home as well. For many of our students this is their first school experience and it will take time to figure it all out, but we will get there! We are also concentrating on picking up our toys, as you may have heard your child sing about :). We want to make sure they are all contributing when it's time to clean up our room.

Coming up.... We will start the month of October with Leaves and Apples, and then move on to Squirrels, Owls, and Parachutes. We'll talk about Bats, Scarecrows, Spiders, Monsters, Pumpkins and more!! Oooohhh! We will end the month with our Halloween party. We encourage the children to come dressed in their costumes that day. More to follow on this. Our character trait for the month of October is SHARING.

Reminders:

- The Halloween Party will be Friday, October 30. We will send out sign up reminders closer to party day!
- We hope you are all viewing our posts, announcements and photos on Bloomz. We will update at least once a week. This is also how we will send out most of our reminders so please tune in :)
- Charleston Wrap (a fundraiser) came home on Wednesday and is running until the end of Octobe.
- Council is working on a Big Bob's restaurant night. More details to follow.

We hope you and your child have enjoyed your first month at Mayflower Preschool! We're happy you're here!

Warmly,  
Miss Denise and Miss Christy
