We will begin circle time this month with the song "My Energy" by The Laurie Berkner Band. We love to sing and dance in our class! This month we will be spending more time on spelling and learning the letters of our name. Learning our names is the springboard for literacy learning in preschool. In three year old preschool, we focus on name and letter recognition. Ask your child how to spell his or her name; practicing at home will reiterate what we are learning in school. We will be sending home name-tracing sheets to practice, if you are interested.

Valentine Party

We are excited to celebrate Valentine's Day with your Preschooler on February 11. We have a mini ice-cream celebration planned. Thank you to the families who have signed up to bring in party supplies:

Our students will take part in a Valentine Card exchange. Please purchase enough cards for 14 students. No need to address every envelope, just leave the name blank so your preschooler can easily place in their peer's bag. Please let Miss Erica or Miss Susie know if you need assistance with the purchase of Valentine cards.
