What a great first month of learning. We start each circle time by greeting every student with a handshake. We encourage each student to give a firm handshake back, look us in the eyes, and say, "Good Morning Miss Erica/Susie". We also begin each class period with a monthly song. Starting in October, our song will be "Hello! Hello!" by the Kiboomers. We also learn a new poem each month that focuses on holidays and seasons. Our October poem is listed below. Our students have easily transitioned to our classroom schedule and participate in our circle time with enthusiasm. You should be proud!

"The month is October  
with leaves falling down  
some yellow and orange  
and some are brown."

- Look what we have planned for October!
