Ocean March 23 - March 26

Letter of the Week

S s
Sammy Snake

Upcoming Events

Dad's Night Thurs., March 26
Staff Development Day Fri., March 27
(no school on this day)
Spring Conferences Tues. March 31

This Week's Focus

This week we will be learning about different ways to reduce, reuse and recycle. We will take a look at simple ways we can help our environment.

This month we will be doing a two week unit about the ocean. Included in our ocean exploration will be our Father's night. This is a special evening for dad's and their preschoolers to spend time together. They will be creating an ocean diorama, a wave bottle and eating delicious ocean snacks. We are making it a beach night, so dress is casual with shorts, sandals, sunglasses, etc. The date and time for **Father's Night is Thursday, March 26 from 6:00 - 7:00.** There will be a sign up sheet on the bulletin board for special snacks for that night.

This month's character trait is Honesty. This is helping each child understand about telling the truth and admitting a wrong doing. This is not always easy for a young child to understand, but is something to work on in a positive manner.

Watch for more announcements in Simple Circle.

Have a great week!

Robin and Sarah
