Birthdays

Emery 9/22

Upcoming Events

Family Fun picnic at Ada Park...Sept. 17

Mayflower Preschool Family Fun Night...Sept. 24

This Week's Focus

We welcome all of you to a wonderful new year at Mayflower Preschool. We have planned many activities that your child will learn from and enjoy. Your child will be learning our classroom routine, practice responsibility for our toys and classroom materials, and become more independent in his/her choice of activities and creative exploration. Please note: We will not be checking our phones during class hours. If you need immediate assistance, please call the office.

Shortly after school begins we will divide the class into two small groups. Your child's small group teacher will be the one you conference with.

If you have any questions throughout the year, please feel free to contact us.
