Welcome to preschool and our first newsletter! You will receive a newsletter each month, both electronically and hard copy. We plan to start teaching our classroom routine right away. We begin each circle time with a handshake and a good morning song. This month our song will be "What a Miracle" by Hap Palmer (one of our favorites). We also learn a new poem each month. Our September poem is below.

"The month is September
when preschool begins
with laughter and learning
and making new friends."

➔ Look what we have planned for September!
